

nexus[®] 18

Broiler Feeder Pan

The Symbol of Quality

Day One to Harvest

Simplest and easiest broiler pan in the market !

The **nexus[®]** Broiler Feeder Pan with 18 eating spaces, which provides 25% more feed space compared with ordinary feeders. The anti-waste rim and special grill prevent the birds from scratching and spilling the feed. Birds also unable to stay/sleep inside the feed compartment, therefore no manure dropping and feed contamination. Provide cleaner, healthier feed for birds full access, minimizes feed waste and maximizes feed intake, which results in an outstanding performance of each flock and an excellent Feed Conversion Rate (FCR). Suitable for slatted floor, deep litter floor and broiler cages.

Incredible Features :

- ▶ With low pan height 39.8mm(1.57in), excellent start-up for day old chick to eat from the outside, gives birds comfortable, no stress accessing feed throughout their growth cycle.
- ▶ The anti-waste rim and special grill prevent birds entered and stay/sleep on the feed, eliminated manure dropping and feed contamination.
- ▶ A hinge lock facilitate helps to secure the bottom pan, perfect for cleaned thoroughly, simply power wash between flocks for better bird health.
- ▶ The unique angled cone feeder pan contains up to 2,100gm feed.
- ▶ 360° flooding and evenly keeps the pan full of feed, enable all birds have full access to the feed at all time.
- ▶ Removable top cap makes it easy to install and maintenance in second.
- ▶ Durable material, 100% virgin polypropylene plastic, rigid and longer life's pan.
- ▶ Total 5 solid pan lock system to lock the pan in place.

nexus® Technical Info :

Pan height	39.8mm (1.57in)
Pan diameter	350mm
Rim diameter	385mm
Feeder pipe diameter O.D.	44.5mm ±
Eating space	18
Average feed contents per pan	2,100gm

Animal Info :

	Body Weight (1.8 to 3.0 kg)
Number of birds per pan	50 - 85
Density birds / m ²	14 - 21
Max. daily feed intake (gm / bird)	190
