

The Symbol of Quality

Male Feeder Pan

Astino presents the latest five-spoke grill design Male Feeder Pan with large openings, which provides more comfort and eating space for males, transports feed via tubing with auger to the pan.

The pan design ensures that all males receive the specified amount of feed while allowing the use of different feed recipes.

- Special Features :**
- Ideal for 5 to 10 male birds.
 - 5 spoke grill with ample space.
 - With or without feed shut-off slide.
 - Sturdy design allows pan to grip to feeder pipe steadily.

Technical Specifications :
